- 21.2.4. As required by Title II/III of the ADA regarding places of public accommodation, Contractor will ensure equal opportunity for individuals with disabilities to receive services. The Contractor will pay those costs and damages attributable to any such claims that are finally awarded against the County in any action. Such defense and payments are conditioned upon the following:

- 23.1.1. That Contractor shall be notified promptly in writing by County of any notice of such claim.

In the event the Contractor fails to comply with any of the terms and conditions of this Agreement and that failure results in an overpayment, or Contractor fails to expend funds under this Agreement in accordance with state and federal laws and/or provisions of this Agreement, the County reserves the right to recapture funds in an amount equivalent to the overpayment or extent of the noncompliance. Such right of recapture shall exist for a period not to exceed one (1) year following Agreement termination or Agreement completion. Such review may occur with or without notice, and may include, but is not limited to, onsite inspection by County agents or employees, inspection of all records or other materials which the County deems pertinent to the Agreement and its performance, and any and all communications with or evaluations by service recipients under this Agreement. The Contractor shall preserve and maintain all financial records and records relating to the performance of work under this Agreement for six (6) years after contract expiration or termination, and shall make them available for such review, within Pierce County, State of Washington, upon request.

30. Severability. In the event any term or condition of this Agreement, or application thereof to any person or circumstance is held invalid, such invalidity shall not affect other terms, conditions, or applications of this Agreement which can be given effect without the invalid term, condition, or application. To this end, the terms and conditions of this Agreement are declared severable.

31. Survivability. The terms and conditions contained in the Agreement that by their sense and context are intended to survive the expiration of this Agreement shall so survive.

32.1.1.6. Any illegal act by Contractor.

32.1.2. The County may, in its sole discretion, provide in its written notice an opportunity to cure the default with a deadline for said cure. No opportunity to cure will be given for illegal acts by the Contractor or for a default that causes an immediate risk to the health, safety, or financial security of the County or its residents.

32.1.3. Whenever the Agreement is terminated for default, Contractor shall be entitled to reimbursement for appropriate, approved, and eligible costs actually incurred by Contractor and supported by appropriate documentation prior to termination. Termination of this Agreement by County at any time during its term, whether for default or convenience, shall not constitute a breach by County.

32.1.4. If Contractor receives a notice of termination from County, Contractor shall:

32.1.4.1. Cease performance under this Agreement to the extent specified in the notice of termination.

- 32.1.4.2. Place no further orders or agreements for goods, services, or facilities to complete the performance now terminated.

- 32.1.5. Upon termination, County will:
 - 32.1.5.1. Arrange to take delivery of property or the right, title, or interest of real property conveyed by Contractor in conjunction with this Agreement; and
 - 32.1.5.2. Make final payment upon receipt of final billings for all authorized services, if Contractor has provided documentation that County's interests are fully protected.
- 32.1.6. After termination for default, the County may issue a new solicitation to reprocur the services provided under this Agreement. The Contractor shall not respond to the solicitation unless authorized by the County.
- 32.1.7. The rights and remedies in this section (32) are in addition to any other rights and remedies provided by law or under this Agreement.

32.2. Public Convenience.

- 32.2.1. The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the interests of the County. Events that may warrant a termination for public convenience include, but are not limited to:
 - 32.2.1.1. Expected or actual funding from the state, federal government, or other source(s) is withdrawn, reduced, or limited in any manner after the effective date of this Agreement and prior to its normal completion.
 - 32.2.1.2. Performance of this Agreement is rendered unfeasible or impossible for any reason.
- 32.2.2. Whenever the contract is terminated in accordance with this section, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County.

32.3. Change in Funding.

32.3.1. Notwithstanding any other termination provisions of this Agreement, in the event funding from state, federal, local or other sources upon which the County relied to establish any Agreement is withdrawn, reduced, or limited in any way, or if additional or modified conditions are placed on such funding, the County may terminate the Agreement by providing at least fifteen (15) calendar days written notice to the Contractor. The termination shall be effective on the date specified in the notice of termination.

32.3.2. The Contractor may, if the Contractor becomes insolvent or experiences a significant reduction in other funding that renders performance under this Agreement impossible, terminate this Agreement by providing at least sixty (60) calendar days' written notice to the County contact(s) listed on page 1 of this Agreement.

32.3.2.1. The written notice must explain the insolvency or change in funding causing the termination. A Contractor-initiated termination on grounds other than those listed in this section (32.3) is not valid.

32.3.2.2. The Contractor must be responsive to contact from the County to coordinate any necessary transition of services.

33. Waiver. Waiver of any breach or condition of this Agreement shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this Agreement shall be held to be waived, modified, or deleted except by an instrument, in writing, signed by Contractor and County.

34. Withholding Payment. In the event the Contracting Officer determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the Contracting Officer determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than 10 days after it determines to withhold amounts otherwise due. A determination of the Contracting Officer set forth in a notice to the Contractor of the action required and /or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provisions of the Disputes clause of this Agreement. The County may act in accordance with any determination of the Contracting Officer which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount so paid or incurred from amounts due or to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to Contractor by reason of good faith withholding by the County under this clause.
