Yearly Membership Renewal Request

February 2024

Hello Logger Supporters!

It's that time of the year! Time to renew your Logger Booster Club Membership. Or, if you aren't already a member, we are actively working on our 2024-2025 membership drive.

Your membership in the Logger Booster Club allows us to support our students and athletic programs on projects like:

- New scoreboard for the baseball field.

This year the Logger Booster Club plans to provide funds to support:

- Banners for State Placings in Logger Sports throughout the years
- Provide two (2) Financial Rewards for Outstanding Graduating Seniors

Your "Logger Pride" can also be demonstrated through Logger Booster Club membership. To guarantee your name gets printed on the Super Booster Banners displayed at sporting events, your membership must be received by December 31, 2024.

The support this community and surrounding areas have shown in the past has been outstanding! We wouldn't be able to do this without your support and your membership is sincerely appreciated. Please mail your membership to the address above.

Sincerely,

Don Renz
Logger Booster Club President
