## Attendance

Attendance in school and participation in class are an integral part of academic achievement and the teaching learning process. Regular attendance develops patterns of behavior essential to professional and personal success in life. Regular attendance by every student is mandatory: The State of North Carolina (*G.S. 115C-378*) requires that every child in the state between the ages of seven (or younger if enrolled) and 16 years attend school. Parents and legal guardians have the responsibility of ensuring the students attend and remain at school daily. Any parent, guardian, or other person violating the provisions of the Compulsory Attendance Law is guilty of a class 1 misdemeanor. (*G.S. 115C-380*).

### Attendance Records

School officials will keep an accurate record of attendance, including accurate attendance records in each class. Attendance records will be used to enforce the Compulsory Attendance Law of North Carolina.

### Lawful Absences

When a student must miss school, a written excuse signed by a parent or guardian must be presented to the office upon their return to school. An absence may be excused for the following reasons:

1. personal illness or injury that prevents the student from being physically able to attend school;
2. isolation ordered by the State Board of Health;
3. death in the immediate family
4. a medical or dental appointment (doctor's note required)
5. participation under subpoena as a witness in a court or administrative proceeding;
6. observance of an event required or suggested by the religion of the student or the religion of the student's parents with the prior approval by the principal; or
7. participation in a valid educational opportunity, such as travel, with prior approval by the principal
8. absence due to pregnancy and related conditions or parenting, when medically necessary

In addition, a student whose parent or legal guardian (a) is an active duty member of the uniformed services as defined by policy 4050, Children of military families, and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting will be granted additional absences at the discretion of the superintendent or designee to visit his or her parent or legal guardian. Five days prior to the absences, the parent or legal guardian must present to the school principal a written statement requesting the absences be lawful. The principal shall use his/her discretion on the reasonable number of days the student may be excused from school. Extended illnesses generally require a statement from a physician.

In the case of lawful absences and out of school suspensions, the student will be permitted to make up his or her work. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

### Unlawful Absences

A student's absence from school for any reason other than those listed under "Lawful Absences."

### School-Related Activities

All classroom activities are important and difficult, if not impossible, to replace if missed. It is the intention of the board of education that classes missed be kept to an absolute minimum through scrutiny and a monitoring system on the part of the principal. The following school-related activities will not be counted as absences from either class or school:

1. field trips sponsored by the school;
2. school-initiated and scheduled activities;
3. athletic events requiring early dismissal from school; or
4. in-school suspension

Assignments missed for these reasons will be completed by students. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

Teachers are expected to personally account for attendance in their classes as stated in B.O.E. Policy Code 4400. Attendance at SWHS will be taken for each class period using Power School. To support the accuracy of regular daily attendance, a list of all reported absentees and tardies will be sent to each teacher at the end of each day. This list will also include early check-outs. All teachers will review this list and make attendance changes in Power School for the Data Manager. Teachers are responsible for the documentation of any student who was absent and whose name does not appear on the attendance/absentee list.

The Data Manager's office will complete absence reports for each student, keep documentation of lawful/unlawful absences, and report this information to teachers, the school's social worker, the administration, and parents. If a student fails to bring a note, the absence may be deemed unlawful.

Teachers will provide the assistant principals with the name of any student who was absent from a class and whose name was not on the daily absentee list or the check-out list. Both late start students and early out students should pick up a card from the front office to complete and return with parent signature ensuring that the parent is aware of the late start or early out. This card will be kept on file in the office and will permit students to arrive/leave without signing in or out in the office. Students starting their school at the beginning of second period should wait for the bell in the lobby at the auditorium. Students with early check out should leave campus immediately following their last class.

### **Early Check Outs**

(BOE Policy 4400) Students who need to leave school before the dismissal time may be checked out in the following manner:

1. Checked out by a parent, legal guardian or emergency contact in the front office (identification will be required).
2. A written note, email sent to [ansley.oconnor@onslow.k12.nc.us](mailto:ansley.oconnor@onslow.k12.nc.us), or fax to (910) 455- 4888 from a parent at the time of checkout. Phone calls will be made to verify the validity of the note, email, or fax. Notes from the parent or guardian requesting an early release from school must contain the following information:
  - a. Date and time for early check-out;
  - b. Reason the student needs to check out of school;
  - c. Telephone number where the parent can be contacted;
  - d. Doctor's name if the student is checking out for a medical appointment, AND
  - e. a Parent's signature.

Students must be in attendance at least one hour of class to receive attendance credit. Habitual early checkouts will be addressed by the administration. ("10 Parent Note Rule": The school accepts 10 written notices of absence, lateness to school, and early checkouts without additional documentation. Beyond the 10 notices, additional documentation is required to be "excused." Excessive tardiness and/or early checkouts adversely impact academic performance and will be used in the consideration for issuing or withholding course credit).

Early checkout times should be arranged to coincide with class changes as much as possible.

Seniors with early out status due to reduced course load must complete an "early out" card to have on file in the office. Seniors who are released early must be off campus.

### **SWHS Tardy Policy**

All students are expected to be in class prior to the ringing of the tardy bell. The amount of time between classes is five minutes and therefore is adequate time exists to move from one class to another.

### **Late Arrival to School**

Unless a student's schedule is without a 1st period due to dual enrollment, an internship, late entry, etc., all students must report to the office to check in after arriving to school and having missed any portion of a scheduled class. The student should present a written note from the parent explaining the reason for the late arrival, the time that the student should be checking in to school and a phone number where the parent may be reached. If a student is late due to a medical or dental appointment, a doctor's note should be presented (an excused tardy). If this becomes habitual a referral will be made to the school social worker. The office will issue a printed late entry slip to be delivered to the teacher.

Students who have accumulated 5 unexcused tardies, for any class period, within a grading period may be assigned in school suspension (ISS).

### **Late Versus Truant/Skipping**

After arrival, students who enter class up to 10 minutes late will be marked tardy by the teacher. Beyond 10 minutes and without a reasonable excuse, teachers will mark the student tardy and should follow-up with a referral for skipping.

## **Honor Societies**

Honor societies and student organizations will provide detailed guidelines on the school website. Please see the website for information:

Student activities are an important part of a student's career in high school. Each of the clubs at Southwest high has a major activity and performs a service project for the school or the community. Club meetings are announced during morning announcements and posted in the Student Commons area.

All clubs/organizations must have an adult advisor that is a staff member of the school. Students and staff advisors of new clubs/organization shall submit information to the principal within the first 10 days of school. The principal and the staff advisor will meet with the Strategic Planning Team (SPT) within 30 school days to present the new club and have the SPT vote on the new club proposal.

Students are encouraged to support the athletic program by participating as an athlete or a fan. Students wishing to participate on any athletic team or cheerleading squad at Southwest High **must pass 70% of their course load and be on track to graduate.** Students will forfeit athletic eligibility when unexcused absences or suspensions or combination during the previous semester exceeds 10 days. Students who have been suspended from school may not participate in athletic games or practices during the period of suspension. All financial obligations to the school must be settled before students may participate in extra-curricular activities.

In order to represent Southwest High School appropriately, the athletic department will present guidelines for success that must be reviewed and accepted by both the athlete and the parent(s) at the beginning of each athletic season. Consequences for athletes that have made inappropriate and/or unlawful choices are outlined below:

#### Campus Consequences:

## Family Educational Rights and Privacy Act

**TO: All parents of students currently attending the Onslow County Schools and all students currently attending the unit who have reached the age of 18.**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that governs the maintenance of student records. Under the law, parents of students or eligible students (age 18 or above) have both the right to inspect records kept by the school about the student and the right to correct the inaccuracies in the records. Access to the records by persons other than the parents or the student is limited and generally requires prior consent by the parents or the student. The Onslow County Board of Education has adopted a written policy governing all the rights of parents and students under FERPA. Copies of this policy may be found in the Superintendent's office and in the Principal's and Counselor's office of each school within the unit.

The Onslow County Board of Education classifies the following as directory information: student's name, school, and grade level. School officials may release this information to any person without the consent of the parents or the student.

In addition, it is the policy of the Onslow County Board of Education to release the names and addresses of seniors to Coastal Carolina Community College and to North Carolina institutions of higher education upon their request. Because of this policy, the Board of Education pursuant to the North Carolina General Assembly ratified House Bill 1332 (1981) must make senior names and home addresses available upon request to official recruiting representatives of the military forces of the state and of the United States for the purpose of informing student of educational and career opportunities available in the military.

## Family Educational Rights and Privacy Act cont.

Any parent or eligible student who objects to the release of any or all of this information without his/her consent must notify, in writing, the principal of the school where the records are kept. The objection must state what information the parent or eligible student does not want to be classified as directory information or released.

The following person has been designated to handle inquiries regarding Title IX: Title IX Coordinator, Onslow County Schools, 200 Broadhurst Road, Jacksonville, NC 28540, (910) 455-2211.**
