Hello, I am Superintendent Tim Porter, on behalf of the of the Scappoose School District Board of Directors, I am excited to share our 2024-2030 Strategic Plan, which reflects our unwavering commitment to fostering excellence and inclusion in every aspect of our educational system.

This plan represents a collaborative effort, bringing together the voices of students, families, staff, and community members to ensure we continue preparing our students for success in an ever-evolving world.

Our mission is clear: In partnership with families and the community, we are dedicated to cultivating students who are leaders, communicators, thinkers, principled, and caring. These attributes are at the heart of everything we do, guiding us as we work to create a safe, healthy, and supportive environment that promotes every student's emotional, social, and academic wellness.

The pillars of our strategic plan build on this foundation. We will continue to:

- **Promote Excellence in Student Learning:** Expanding opportunities in academics, arts, athletics, and extracurricular activities while supporting the holistic development of each student.
- **Support Our Staff:** By recruiting, developing, and retaining exceptional educators and staff, we are committed to fostering a culture of well-being and continuous professional growth.
- **Engage Our Community:** Strengthening partnerships with families and the broader community is a key priority, ensuring open communication and collaboration that benefits every student.

Together, we will continue nurturing passionate lifelong learners prepared to lead and succeed. I invite you to join us on this journey as we strive to make the Scappoose School District a place where every student reaches their full potential.

Thank you for your continued support.

Sincerely,
Tim Porter,
Superintendent
Scappoose School District
