

THE SEASIDE SCHOOL™

Leadership Symposium

Empowering Educators for Leadership Excellence

November 7-8, 2024 | Santa Rosa Beach, FL

How Will I Benefit From Attending?

- Experience best teaching practices first hand from high performing teachers that you can implement in your school or classroom immediately.
- Gain insight and key strategies to implement at your school on how to create a culture leadership and teacher empowerment.
- Learn how to expand your offerings by observing our one-of-a-kind culinary, rock band, arts, Spanish and business certification programs in action.
- Improve your school culture by participating in our teacher and student led house systems model.
- Learn our strategic and viable business model that utilizes a 12:1 content teacher to student ratio.
- Increase safety and production when you experience our unique campus setting and learn about our outdoor programming and community partnerships.
- Discover how \$1,000,000 is raised annually to accelerate educational and extracurricular programming.
- Learn about our strategic district, collegiate, and community partnerships and their impact on our students and school community and begin building similar partnerships in yours!
- expand and build your professional network.
