

BCHS Locker Room Addition  
Addendum No. 1

1. Locker delivery to the jobsite will be performed by any number of different freight carriers that operate within CA. These vehicles are not “Off Road” we are unclear why an Off-Road Diesel-Fueled Fleet Certification is required for the project.

\*\*\*Please confirm that the Off-Road Diesel-Fueled Fleet Certification is not a required form for this project. \*\*\*

If it does not apply to the job, you will fill it out N/A

2. Please confirm if the color “Blue Streak” must be provided by alternate “Or Equal” proposed Manufacturers or if selections from the alternate Manufacturers can be made in lieu of matching another manufacturer color selection which puts other manufacturers at a pricing disadvantage

An approximation of the blue that is the schools color will be required to be installed.

3. We would like to bid as an “Or Equal” on this project, the List Industries Marquis Champion All-Welded Athletic Locker with a lifetime warranty. This comes with a lifetime warranty in lieu of the two-year warranty noted by Republic. This is a single-point maintenance free, latching locker.

We welcome products that are equal to or better than
