What Happens on Staff Development and Early Release Days?

Staff Development Time

Friday, October 11 - Full Workshop Day.

Many specialty staff will be attending regional professional growth opportunities (art, PE, health, social work, nurses, MLL, speech, school psychs, world language, music, band, chorus) - critical time for them to meet with job-alike peers. This great opportunity is the result of collaboration with our 11 district partners in the Greater Seaboard Educational Alliance.

Onsite, there will be lots of opportunities for content area staff, such as content area co-planning, data and assessment reviews, furthering work with SEL (Ruler and MindUP), Book Creator, student behavior supports, etc.

Wednesday, October 16 Early Release Day.

Suicide Awareness Training for all school staff
