

Safety & Security Committee

Student Panel Discussion

December 8, 2022

Minutes

Dr. Engle Establishes a Quorum. Meeting is called into order at 4:04pm

Community Input - None

Quorum: Yes

Closed Session:

Brian Palazzi begins the PowerPoint presentation: *Student Panel Discussion*

Goal: To receive feedback from current students to further improve safety in Clear Creek ISD.

Purpose: To serve all members of our school district by helping create and maintain a safe and secure school climate and culture for staff and students.

Brian Palazzi covered meeting norms.

Committee members introduced themselves to the students on the panel.

Students on the panel introduced themselves to the committee members.

Students on the panel answered the question: **If you have a safety concern, how would you report it?**

Students on the panel answered the question: **Do you know what Anonymous Alerts is? What is your opinion of that resource?**

Students on the panel answered the question: **What three aspects regarding safety do you think CCISD is doing well?**

Students on the panel answered the question: **What two CCISD safety initiatives are beneficial, but could use improvement?**

Students on the panel answered the question: **What is one safety initiative CCISD is doing or not that should be completely reevaluated?**

Brian Palazzi discussed safety initiatives being explored across the district.

Brian Palazzi closed the student panel discussion and covered next meeting information.

Jay Cunningham adjourned the meeting at 5:40pm.
