Dear Haldane Families,

The New York State Education Department is asking families to complete an annual [Digital Equity Survey](#) for students in Kindergarten through Grade 12. The survey is designed to provide information on student access to devices and the internet in their place of residence.

The survey can be completed through this [form](#). We are asking your support in taking a few minutes to complete the survey by Friday, November 15, 2024. The surveys are child specific – if you have more than one child in the Haldane Central School District, please complete a survey for each child.

We thank you in advance for your support. Please be in touch with any questions.

Sincerely,

Josh Elder

Director of Curriculum & Human Resources
