1. Call to Order/Opening Exercises

2. Athletics Update - Mr. Wherley

- Fall successes
  - Finishing up golf season
  - Girls Tennis Team is still undefeated
  - 100th victory for girls singles tennis
  - Coach Martin recorded his 200th victory as the girls tennis coach
  - Military Night at the Football game was well attended and well organized.
  - Great attendance at many of our athletic events
  - Our fall teams/athletes participated in the Athletic Pledge to promote positive mental health and sportsmanship
  - We were selected as a \$5,000 winner for the 5G Friday Night Lights via TMobile
  - Post season events will be selling admission tickets online only. More information will be shared with the community.
- Discussion Topics
  - PIAA is promoting girls flag football
  - October 16, 2024 is the sport interest meeting where we may have more female athletes interested in wrestling
  - Mr. Wherley will be coming back to the committee if there is more female interest in wrestling. There are 7 schools that are currently sponsoring a girls wrestling team.
  - Bermudian Springs did reach out to see if they could join our boys and girls lacrosse teams. Adding their enrollment will not change our playoff status.
- Questions:
  - Is there an update on the scoreboards?
    - If the Board wishes we can move forward with PowerAd and get cost estimates. The Booster Club would pay to have the old scoreboards removed and installed.
    - Mr. Wherley would like to use donations and the money from TMobile to address the scoreboard in NOMS.

- Scoreboard for NOHS will go to the Board in October to vote on.
- Some questions came up about what could happen to any fields during the NOE and CTE renovations.
  - We will continue to bring this up at our October Board meeting
  - Need to look at local options off our campus
  - We will also add this to the next Municipality meeting agenda
- Do we have any extra usage open for our baseball fields for a group of students that are not part of our current youth program?
- There is a recommendation that we put a barrier of some sorta at the softball field.
  - This is something we could talk to maintenance about this
  - This could also be a safety concern for the players

3. Public Comment on agenda items

- None

4. Adjourn Meeting

- 6:47 p.m.

Respectfully submitted,

Lori Duncan
