

Obama 6-12 would become a 9-12 High School

Changes to Grade Level: 6-12 to 9-12

Changes to Attendance Zone: Becomes existing Millions 9-12 zone

Changes to Programming: Becomes 9-12 IB neighborhood magnet

Modeled Enrollment: 691

Capacity: 1,473

Facility Assessment: In need of moderate renovations; EAI = E

Proximity to Other Schools: Westinghouse (1.7 mi), Arsenal (2.9 mi)

Need Profile: 75% Econ. Dis, 2% ELL, 20% SWD

6-8 Students Attend: Arsenal (which becomes 6-8 programming)

Rationale

- District-wide shift to separate 6-8 and 9-12 programs to better provide developmentally appropriate support to students
- Splitting programs into two buildings allows for potential to expand programs and increase open seats to meet demand for IB programming
- Low and declining enrollment for 6-12 program prohibits provision of robust programming and staffing
