District Calendar Process – Deputy Superintendent Kirby Eisenhauer shared with the Board that the calendar committee, in a collaborative effort, has been working on the District calendars, which will include three options for the next three fiscal years (FY26, FY27, and FY28). Items looked at when developing the calendars are meeting Goal 1-Student Achievement and Goal 2-Student and Staff Well-Being of the District's Strategic Plan, ensuring we reach the required 175 student days and 185 certified teacher days, new hire professional days and induction days for all teachers, two built-in snow days, activities, holidays, graduations, parent/teacher conferences, early release days/dismissals, spring break, professional days, Mallo Camp, and assessment schedules. The final three options per fiscal year will be brought back to the Board for approval after input from staff and community stakeholders.

Website Review—Communications Coordinator Cassia Catterall provided an overview of the new District website and highlighted the following areas and features: Home Page, District News, School Lunch Information and Menus, Transportation, Trending Now, Activities Calendars, Job Openings, Community Attractions, Sub Requirements, Student Teacher Information, and Parent Information (college offerings, Dual Language Immersion/Seal of Biliteracy), and Find it Fast.
