3) Superintendent and Directors Reports

Superintendent Josh Hurt

- Very pleased with the start of the new school year.
- It's IT Professionals Day. A big thanks to Randy Lee, Cody Blythe, and Karen Blythe for their hard work in keeping our systems up and running. Also, thanks to Buddy Brown, who recently retired.
- World PT Day was celebrated recently. Thanks to Samantha Coomer for keeping our student-athletes in good health.
- With recent events around the state and region, we want to thank our SROs, safety coordinator Allen Trotter, and school admins for always keeping our students and staff safe.
- Attendance is up right now. Monday was 94.3%. We had 93% today. We are satisfied with these numbers considering our current environment.
- The new art room is functional and ready to use at the high school. They are waiting for the kiln. Mrs. Palumbo is pleased with the extra space for art classes.
- The multipurpose building is expected to be completed before or during October.
- The new front parking lot at the high school has greatly benefited students and staff. The band will also use it for marching band practice.
- Former MCES teacher Scott Johnson was recently named the Elementary School Teacher of the Year in the state of Kentucky. He now teaches in Barren County, but he spent 15 years teaching and growing our students in Metcalfe County.
- On the agenda, the board will be asked to consider the resignation of board member Donnie Perry. Donnie has served the students of Metcalfe County Schools for 13 years. He says it's time for a change and is ready to explore other opportunities to help Metcalfe County. Donnie will be missed. Once the resignation is approved, the process will begin for his replacement.

- For agenda item 5B, our hearing-impaired teacher, Mrs. Charlotte Roach, offers a very valuable service to our district. Her need is so great that other schools are asking us to contract with them for her services.
- For agenda item 5E, slight changes need to be made to the salary schedule, including pay increases for years of experience in our IT and maintenance departments. We are also hiring an assistant tennis coach.
- For agenda item 5F, there are currently no offers from KETS for assistance. This item will allow us to consider future offers. If those offers are approved, the district will be required to match the funds.
- For agenda item 5J, the board would approve the district working with GRREC on a grant that would bring an additional mental health counselor to the district.
- For agenda item 5K, the state legislature passed a new law regarding absences and excuses. To comply, we have revised our board policy to reflect the new law. The idea behind the new law is to reduce chronic absenteeism. This item is a first-read only.

Jamie Moss – Exceptional Ed

- Action item 5B requests the board to approve a contract with Barren County Schools that will provide hearing-impaired services to students from Mrs. Charlotte Roach. We also have a contract with Monroe County that was board-approved.

Joseph Eaton – MCHS

- Alyssa Williams, a senior at MCHS, was recently featured on the cover of Kentucky Living for her participation in the Farmers Rural Electric Washington Youth Tour. We are very proud of our students and their positive representation of MCHS and Metcalfe County.
- MCHS Marching Band has been preparing diligently for their upcoming competition season. We're excited to see them perform, and Ms. Riggins has been doing an amazing job of preparing them and growing the band. They have a competition this weekend at Barren County. They have started practicing on the new parking lot surface.
- Hornet Football came away victorious on Friday against Nelson County.
- Hornet Volleyball defeated Glasgow last night at home.
- Fall Formal is coming up this weekend in the courtyard. We look forward to the students being able to enjoy being with each other and having a fun evening on Saturday.
- The new parking lot and morning routine are working well and flowing well now. We're thrilled that students can park up front and enter through the front doors. It's been an excellent benefit for safety.
- College Application Day is coming up next week on the 24th when Seniors will have the opportunity to apply to different colleges with a representative. We will also have College and Career Day on the same afternoon.
- Homecoming week is the week before fall break, and many fun activities are planned for students. There will be a parade for the community at 12:30 on Friday, Oct. 4.

Jenny Stotts - MCMS

- MCMS has had an excellent start to the new year.
- I-Ready testing in reading and math took place last week. Teachers are preparing to analyze the data soon.
- MCMS student Charlie Hawkins competed in the State Special Olympics and received 3rd place at the softball throw.
- The MCMS service-learning class is up and running. Students have been tutoring, cleaning, selling snacks, and even cleaned out the bridge near their school that was filled with trash and debris.

Michael Gill – MCES

- Great start to the 2024-2025 school year.
- Students have been in school for about three weeks, with preschool in session for two weeks.
- Teachers have started getting into their regular routines.
- The school hosted an excellent 9/11 Ceremony for all local First Responders on Wednesday, September 11, 2024. The 4th and 5th grade students performed “Where Were You When the World Stopped Turning?” They did an outstanding job! Mrs. Stephanie Jessee does a beautiful job teaching music at MCES.
- On Thursday, September 12, MCES hosted Grandparents’ Night from 4 pm to 6 pm. It was one of the biggest crowds ever, with more than 1,000 people showing up.
- Picture day will be Friday, September 20.

Cheyenne Garmon – Finance

- No comments.

Rachel Dial – Instruction

- The 21st Century afterschool program is underway at all three schools. Preschool has resumed its afterschool program called “Hornet Hive.” Both programs are going well.
- Elementary school staff have been working on the new math curriculum. Great job to the teachers on implementation and working hard to narrow the gap.
- Agenda item 5K is a first read only. There is no action required tonight. The district has revised its Absences and Excuses Policy 09.123 to reflect a new law that took place this year.

Matt Shirley – Facilities

- The new parking lot at MCHS will be lined soon (possibly Saturday) for the band to practice on.
- The multi-purpose building is expected to be finished in October. They are on schedule. Crews are working on concrete, lighting, and signage.
- Footers are being poured on the new football fieldhouse so that it will be ready for block soon. The turf guys are working on drainage.

Torrie Osbon – PR

- No comments.
