### We are the Wolves

We are the wolves of Bella Romero.

We are a family.

We're always here, trying our best.

Together, we're above the rest.

We are Romero wolves.

Somos los lobos.

Go— lobos!

Dear Bella's Family,

As we close another remarkable year, I reflect on the journey we've shared together. It's been a year filled with triumphs, challenges, and moments of growth. Through living the family values, each of you has played an important role in making this year a success. Class of 2036 joined the family as our Kindergarten class. We have cherished the moments with the Class of 2028 as they prepare to transition to high school. Our students' enthusiasm, creativity, and resilience have been truly inspiring.

To our families, your unwavering support and partnership have been the pillars of our school community. Your trust in us to nurture and educate your children is a responsibility we hold with the utmost care and gratitude.

Thank you for making this year one to remember.

Bella's Family Is My Family,

Ms. Aragon
