

## **PARENTAL INVOLVEMENT**

The Board of Education believes that positive parental involvement is essential to student achievement, and thus encourages such involvement in school educational planning and operations. Parental involvement may take place either in the classroom or during extra-curricular activities. However, the Board also encourages parental involvement at home (e.g., planned home reading time, informal learning activities, and/or homework "contracts" between parents and children). The Board directs the Superintendent of Schools to develop a home-school communications program in an effort to encourage all forms of parental involvement.

Consistent with the parent involvement goals of Title I, Part A of the federal No Child Left Behind Act of 2001 (NCLB), The Board of Education will develop and implement programs, activities and procedures that encourage and support the participation of parents of students eligible for Title I services in all aspects of their child's education. The Board also will ensure that all of its schools receiving Title I, Part A funds develop and implement school level parental involvement procedures, as further required by federal law.

The complete policy on Parental Involvement, Policy #1900 can be found on the district's website at [www.eufsd.org](http://www.eufsd.org) under the Board of Education tab.
