Stand up, stand up Romero!  
Our family's here for you!

**Jon Cooney**

Thank you to all in Bella's family for another wonderful year. I am proud of you students! I am excited for Class of 2030 to move on up into 1st grade! I'm also excited for 2027 as they make the switch to the 4-8 Campus. And who can forget the milestone of 2022 moving into high school - you'll be walking that graduation stage before we know it. Regardless of what grade you are in, I hope you take time to celebrate your successes from this past year and also think ahead about the future and how you'll proceed toward your dreams. Stay dedicated to living Bella's Family Values and you will remain on the path to fulfillment of those dreams. Thank you also to staff, parents, and families. The adults at The Academy have partnered together well on behalf of the students we love so much.

Bella's family is my family - today and always.  
Mr. Cooney

**Ashley Aragon**

Bella's family has once again completed a year full of fun memories, friendships, and learning. This year we had fun together during the first all-campus assembly where we saw a young girl living her dreams and playing music. We had fun together during Lobo Day where we got to strengthen our friendships and work on team building. We also had fun while we were learning to read, learning more about Jiji on ST math, and learning about how to live the Family Values. We have enjoyed watching each of you grow over the last year and we are excited to continue watching you grow, graduate high school, and make your dreams come true. We will always be here saying...Yes you will!
