On April 29, Thornridge AVID seniors participated in the second half of our exchange program with New Trier High School. Back in February, TR AVID seniors buddied up with students at New Trier and spent the day on their campus visiting classes and discussing different challenges that impact education. On April 29th, it was Thornridge's turn to host students from New Trier. Students were eager to pick up where they left off and the day was hailed a huge success by all who participated.
