## Beaufort County Schools Step 4B: Progress Monitoring

| Student:  |                            | Teacher:                        |                     |  |  |  |  |  |
|---|----------------------------|---------------------------------|---------------------|--|--|--|--|--|
| Dates of Data Collection:   | to                         |                                 |                     |  |  |  |  |  |
| structions: Student data should be documented (using ABC Data Collection Sheets) on a weekly basis from a variety of individuals. EC teacher or designate dividual is responsible for collecting and compiling all ABC data forms and summarizing the data on this form (every 4 weeks) to monitor student's progress "Use this data/progress monitoring information during 9 week BIP review meetings. |                            |                                 |                     |  |  |  |  |  |
| Date/ Time/ Setting(s)  | Identified Target Behavior | Replacement/Desired<br>Behavior | Observable Outcomes |  |  |  |  |  |
|   |                            |                                 |                     |  |  |  |  |  |
|   |                            |                                 |                     |  |  |  |  |  |
|   |                            |                                 |                     |  |  |  |  |  |
|   |                            |                                 |                     |  |  |  |  |  |
|   |                            |                                 |                     |  |  |  |  |  |
|   |                            |                                 |                     |  |  |  |  |  |

## Beaufort County Schools Step 4B: Progress Monitoring

| When will the plan be implemented? (hourly, class, daily, weekly) | What reinforcer (s) will be provided when the replacement/ desired behavior is demonstrated? | What consequences will be implemented when the replacement/desired behavior is not demonstrated? | How will the replacement/desired behavior data be collected? |
