Cafeteria Is Open

Yahoo! The CSU Cafeteria is finally open for business. This means, all Outlook students will be eating in the cafeteria only. There is no food or drinks allowed in the Education Building except in the bottom floor by the vending machines. Those students that bring food or drinks up to the 3rd floor will be sent immediately to Officer Hill and food/drink items will be confiscated and thrown away.

Ventra Cards

If you lose your ventra card, if it is stolen and/or damaged...you will need to see someone in the office to complete the Ventra paperwork and pay the \$2 replacement fee before a new card can be issued. Please remember that Ventra Cards are used to transport you back and forth to school. Any student found abusing this privilege will have their Ventra card de-activated.

Outlook IDs

All Outlook students must wear their Outlook ID at all times. Students are not allowed on campus without an ID on. If you lose your ID you must go see Mr. Valant at TR for a replacement. Hopefully we will have our own ID Machine soon. Students without and ID will be sent directly to Officer Hill and escorted out of the building.
