DO IT IN P!
Registration in PowerSchool

The start of school is fast approaching. Freshman students start August 12th and all students begin August 13th. If you haven't enrolled your student(s) yet, you might miss out on several benefits of timely registration, ensuring a smooth start to the school year. Here are some key advantages of registering your child as soon as possible:

- **Waived Fees:** All student registration fees are waived during the early enrollment period.

- **Smooth Start:** A timely registration ensures students can begin school on the first day of the new term without any delays.

- **Maximized Instructional Time:** Students avoid missing valuable instructional time.

- **Elective Choices:** A prompt registration gives students a better chance to select the elective classes they prefer.

Parent and Student Access to PowerSchool

ACCESS TO POWERSCHOOL

Simplified Online Registration Process

Registering your child is easier and faster than ever, taking only about 10 minutes to complete. Like last year, the registration process is exclusively online, now streamlined through PowerSchool Enrollment Express.

Many parents are already familiar with PowerSchool and have accounts to monitor their student's assignments, grades, and attendance in real-time.

Additionally, parents can request reports, email teachers, and more through PowerSchool.

Don't wait—register now to ensure your student has the best start to the new school year!

Create a Parent Single Sign-on Account for the 2024-2025 School Year

PowerSchool simplifies access to students' information with a single sign-on option. This feature allows parents to create one account to access information for each child in the family.

Once you have your child's Access ID and Password, you are ready to set up a PowerSchool account.

- **FOR NEW STUDENTS**
  Parents of new students received a separate Access ID and Password for each student they will enroll.

- **FOR RETURNING STUDENTS**
  Parents of returning students will use the Access IDs and Passwords from the previous year.

If you have forgotten your student's password, a password reset is available in PowerSchool. However, if you have forgotten the Access ID, please contact the school office.

Setting Up Your Account
Once you have your child's Access ID and Password, you are ready to set up a PowerSchool account. Follow the simple steps on Page 3 to create your single sign-on account and easily access all your children's information in one place.

Medical Clearance for the 2024-2025 School Year

Medical clearance is a required step in School District 205's student registration process. This requirement helps ensure a safe environment for both students and staff and confirms that students are healthy enough to attend classes and participate in school activities.

What do parents need for Medical Clearance?

Parents must provide the following documents to their child's school for medical clearance:

- **Incoming freshman or transfer students:**
  1. Current physical exam report
  2. Up-to-date immunization records
  3. Current dental exam report
  4. Emergency contact information
  5. Authorization for the administration of medication, if applicable
- **Senior students:**
  1. Proof of the meningitis vaccine

Please ensure all documents are submitted to facilitate a smooth registration process.

COVID-19 Vaccination Requirement

Currently, students are not required to be vaccinated for COVID-19 to register for school.

Deadline for Medical Clearance

Parents are encouraged to complete school enrollment in PowerSchool and provide the necessary medical clearance documents no later than **October 15, 2024**. The link to PowerSchool is available on the District 205 website (www.district205.net).

Contact Information for Questions

If you have any questions about the medical clearance requirements, please contact:
