Dear Prospective Sponsor,

The 2024 Wasilla High School wrestling season is upon us, and our athletes and coaches are beginning to prepare for another great season. Each year our team strives to be on the podium at the state championships, and we have done just that on five separate occasions. More than just competing, each year we endeavor to expand upon our experiences on and off the mat.

Our program builds upon a long history of tradition while instilling a philosophy of teamwork, pride, sportsmanship, self-discipline, self-esteem, and hard work. It's through this philosophy that our coaches emphasize and promote education, citizenship, and respect for their coaches, teammates, opponents, and the community. However, to reach our goals, we face many obstacles and hardships beyond the rigorous training and dedication required for the sport. It is only with the great support of the Mat-Su community that we can truly achieve our goals and objectives for the season. This letter is a special request for sponsorship for the Wasilla High wrestling team.

Each year our Warrior Wrestling boosters program must make up the difference in funding received from the Mat-Su School District and the expenses necessary to operate a high school wrestling program. Your generous sponsorship and support provides equipment and materials that are not covered by the limited funding we receive from the school district. Athletes and their families are already required to pay a non-refundable sports fee of \$250 per sport; many of whom compete in three sports per year. The majority of this fee covers the coaches' stipends and transportation expenses incurred from living in Alaska.

Your continued support will allow us to provide a safe, fun-filled, and competitive 2023 season by helping to fund the following areas where the district falls short.

- New team warm-ups
- The opportunity to take a JV team to a tournament in Valdez
- Sponsorship of a JV tournament at WHS
- Sponsorship of our Varsity Senior Night Dual with Chugiak
- Team wrestling shoes and headgear for those who cannot afford it

On behalf of our student athletes, we thank you for your consideration to support the Wasilla High School wrestling program. Please feel free to contact any of the coaches listed below with any questions about sponsorship and/or the Warrior Wrestling booster program.

Respectfully,

Ryan Moat
