

School	Base Scenario Presented in August	Summary of Themes	Community Suggested Changes for Scenario
Linden K-5	<ul style="list-style-type: none"> Linden is phased out and students return to their neighborhood attendance zone 	<ul style="list-style-type: none"> N/A 	<ul style="list-style-type: none"> Use Linden as K-5 for Allderdice feeder to reduce transportation concerns Make Linden a neighborhood K-5 that feeds into Colfax 6-8
Obama 6-12	<ul style="list-style-type: none"> Obama becomes 9-12; 6-8 students attends Arsenal 6-8 with IB MYP programming Obama becomes neighborhood magnet 	<ul style="list-style-type: none"> N/A 	<ul style="list-style-type: none"> N/A
Montessori K-5	<ul style="list-style-type: none"> Montessori moves into old Linden building Montessori remains a full magnet 	<ul style="list-style-type: none"> Long waitlist for Montessori, would be ideal to expand program Concerns over equity of programming and access Currently provides before-school care at 7:30 AM Historic building that may be purchased by nearby charter school If moving to Linden, equity concerns regarding moving Montessori programming to predominantly white community 	<ul style="list-style-type: none"> Expand Montessori programming across district (particularly in North) If keeping Montessori program, change admission policy to improve racial and socioeconomic diversity Turn Montessori into a neighborhood magnet If moving to Linden, add AC to building
Sci Tech 6-12	<ul style="list-style-type: none"> Sci Tech 6-8 and 9-12 are split; Sci Tech 6-8 is located in Millions building, Sci Tech 9-12 stays in existing building Sci Tech 6-8 and 9-12 become neighborhood magnets 	<ul style="list-style-type: none"> Sci Tech 6-8 and 9-12 share resources, staff, and space. Concern over how to separate and divide programs. Large waitlist for Sci Tech, would be ideal to expand program Important to have Sci Tech near University of Pittsburgh/Carnegie Mellon University to leverage resources 	<ul style="list-style-type: none"> Use Sci Tech building as Sci Tech 6-8, use Millions building as Sci Tech 9-12 Keep as full magnet and reserve spots for neighborhood students who are interested in STEM programming
