

# MAKE IT HAPPEN!

Dallas ISD offers a world-class educational experience with a focus on excellence, innovation, and tradition.

From a variety of extracurricular activities and championship athletics to innovative educational programs like dual language, personalized learning, STEM/STEAM, leadership academies, Montessori and more, a quality education is in your backyard.

We offer a competitive mix of innovative learning, choice schools, and instructional initiatives that support increased academic achievement, while preparing our students for success.

Our tradition of excellence runs deep, and all students are welcome.
