

Danville-Neel Elementary School

Vision

Danville-Neel Elementary will provide opportunities for all students and employees to excel in learning, and establish and foster strong relationships.

Mission

"Danville-Neel Elementary...On Track to Creating Lifelong Learners and Leaders".

Beliefs

All children can learn and are deserving of respect, love, and compassion. The school, home, and community must share responsibility for the needs and development of children. Students and staff have a right to a safe and secure school environment. Students' learning should be the primary focus.
