Community Invited to Take a Brief Survey to Assist in Developing a Portrait of a Graduate

Green Bay, WI - October 14, 2024 - The Green Bay Area Public School District is asking the community to help us shape the future! The Green Bay Area Public School District has been working to develop a Portrait of a Graduate, which is a community's collective vision of the skills and competencies that we want for each of our graduates as they prepare for their next steps in career and life readiness.

The community is asked to complete a [short survey](#) to provide their input, which will directly influence how the District shapes its educational programs and support systems to ensure graduates are well-prepared for the future. (Please note that at the top of the webpage community members can click on "Translate" to take the survey in their preferred language.) **The survey will close at 4:00 p.m. on October 31, 2024.**

"The Portrait of a Graduate initiative is the first step in the Board of Education's efforts to create a strategic plan for the next 3-5 years," stated Associate Superintendent David Johns. "Having a community vision for a successful graduate enables the Board to develop the goals and priorities to help the District make that vision a reality."
