Capital Projects

Levy for Technology

Vote Nov. 5

By investing in technology infrastructure and hands-on, technical learning experiences, the district will be able to prepare students for life after graduation in an ever-changing world.

Funds from the capital projects levy for technology would be used for technology updates, safety and security systems, and instructional resources and training.

**LEARN
MORE!**

How will this technology levy support student learning?

HIRING AND TRAINING HIGH-QUALITY STAFF in support of PreK-Grade 12 students

Updating technology labs and technical training programs, providing **HANDS-ON LEARNING EXPERIENCES** for students interested in trades and other technical fields

Replacing broken and outdated devices needed for **TODAY'S K-12 INSTRUCTION**

Building out a robust catalog of courses for high school students to engage in classes and **CAREER PATHWAYS** that best fit their needs and interests

Enhancing the physical technology infrastructure, cybersecurity, and physical security systems to **ENHANCE SAFETY** and be better prepared for potential issues

EARLY VOTING is available now for all registered voters residing in BCCS. Find your polling place at **mnvotes.org**.
