

Pleasant Valley Arrival and Dismissal Map 2024/2025

STEM Families will turn left at the first stop sign and form two lanes. These lanes will then merge into one for student pickup. The family number must be displayed for pickup. Students load on the driver side only.

Traditional Families will turn right at the stop sign and continue to the back parking lot loop. Family number must be displayed for pickup. Students load on the passenger side only.

All cars must be on campus to pick students up no later than 4pm. After 4pm parents are considered "late" for pickup.
