Losers quit when they fail. winners fail until they succeed - Robert Kiyosaki

Administrators Corner

Welcome to the first edition of our Ollie's Oxbow Observer! A very heartfelt thank you to Mrs. Hatch's yearbook class for taking on this project!

As we begin a new school year, we are excited to share the many opportunities, achievements, and events that will shape our journey together. Our school community is a vibrant place of learning, growth, and collaboration, and we are proud of the dedication shown by both students and staff in creating an environment where everyone can succeed.

Through building relationships and fostering connections, we are committed to nurturing academic excellence, promoting well-being, and encouraging leadership. Whether it's through new programs, extracurricular activities, or simply supporting one another, we aim to make every day a step toward a brighter future.

We look forward to celebrating the successes we'll achieve together and keeping you informed of all the exciting developments in our school. Here's to a fantastic year ahead!

With pride,

Mrs. Beaton, Mrs. Jalbert, and Mr. Cadow

WHATS GOING ON AT OXBOW

ENGLISH DEPARTMENT

In Mr. Pogocar's 7th grade English classes they are studying the play of "Julius Caesar." The play has a lot to do with the supernatural, and whether we believe in things like astrological horoscopes.

As for Ms. Leddy's 8th grade classes they have been learning about how the environment shapes our ability to learn, and are working together to establish classroom norms so that they all feel safe enough to take risks in they're learning this year. They have also been eating a lot of granny candies and are attempting to dance like Beyoncé. Next week they will be starting their unit on graphic novels.
