

Addressing the need for
information, support,
and connection . . .

Carbon Lehigh Intermediate Unit #21 Autism Sibling Support Group

Autism Spectrum Disorders impact the daily lives and experiences of every family member. Recognizing that siblings play a crucial, long-term role in the life of an individual with autism, this program is designed to address their needs for information, support and connection.

Where:

Lehigh Learning
Achievement School
2936 Corporate Court
Orefield, PA 18069

When:

The Autism Sibling Support Group
will be held on Saturdays at
9:30 a.m. to 11:00 a.m. on
November 2, 9, 16, 23, 2024
