

# BOARD MEETING HIGHLIGHTS

## Westminster School District

### **THE IMPACT OF SCHOOL COUNSELING ON STUDENT ATTENDANCE**

The Educational Services Division provided information on school counselors in the Westminster School District. During the board meeting, the counselors presented their incredible work and the comprehensive support they provide to students at WSD, showcasing their vital role in student success. They serve as advocates, leaders, collaborators, and consultants. These counselors work to identify and address systemic barriers to equitable education, advocating for necessary changes and aligning their programs with the district's mission and improvement plans. For more information on their presentation, head to our [website](#).

### **2024 LABOR MANAGEMENT INITIATIVE SUMMER INSTITUTE**

The Deputy Superintendent presented to the Board of Trustees the goals and focus in the Labor Management Initiative. This encourages collaboration between the district, Westminster Teachers Association (WTA), and California School Employees Association (CSEA) by facilitating the sharing of research and best practices. This initiative aims to build deep, enduring partnerships between the union and management, founded on trust. During the summer, a diverse group of 14 staff members from various parts of the district attended the LMI Summer Institute to enhance partnership and collaboration, demonstrating the district's commitment to this approach. ### **2023-2024 UNAUDITED ACTUAL FINANCIAL STATEMENTS**

The Business Services Division provided an update to the Board of Trustees on the district's Unaudited Actual Financial Statements for the 2023-2024 school year. It provides a comprehensive overview of the district's financial position. The report includes detailed information on revenues, expenditures, and fund balances across various categories such as the General Fund, Special Revenue Funds, and Capital Project Funds. It offers insights into WSD's overall financial health and resource allocation. This document serves as a crucial tool for community members to understand the district's fiscal management.
