## Earth Day Campus Cleanup

On April 20th, Terra Nova High School teamed up with the Pacific Beach Coalition, known for their regular beach clean-ups and habitat restoration in Pacifica and nearby areas, to clean the campus for Earth Day. With 21 eager students from the APES, chemistry classes and band on board, they gathered 3 bins of trash, 2 bags of recyclables, 1 bag of compost materials, and 55 cigarette butts. Most of the litter was candy and food wrappers, especially concentrated within the bushes. This collaboration not only enhances the school's aesthetic appeal but also cultivates a more positive learning environment. Science teacher Ms. Gutierrez supervised the event. Special thanks to band director Mr. Oliver Bishop for encouraging band members to participate in the clean up and to facility maintenance manager Mr. Mario Menjivar for setting up the registration table and providing materials for the clean up. Nice job Tigers!
