CAMPUS NEWS

Project Reboot Assembly

In September we had a school-wide assembly about Project Reboot, a program aimed at pushing our students and staff to think about how we use technology and build better relationships with technology. Project Reboot seeks to help students reset their tech habits, reclaim their time, and regain their focus.

Students were asked to participate in a social media detox over the course of approximately three weeks. The program facilitator reported that we had many students reduce their screen time by more than 50% and reported feeling much better as a result. Students who participated were entered into a raffle for some fun prizes.

- Top prize of a free prom ticket went to Kobe Camacho
- Second prize of ear buds went to Diego Carvalho
- Third prize of TN swag went to Nora Patino

We are proud of our Tigers for participating in this social media break challenge!
