Dear Terra Nova Community,

I would like to address a matter of utmost importance - student behavior. There has been an increase in unkind, discourteous, disrespectful and inappropriate behavior exhibited by students. It ranges from increased littering and garbage throughout campus to sexist, racist, homophobic and transphobic language and slurs.

It saddens me and angers me to have to report this. It should go without saying that this behavior is completely unacceptable and goes against the values we hold dear. I want to assure you that we are actively addressing this issue. Consequences for this behavior, for individuals and groups of students, may include removal from class, suspension, loss of school privileges, and restorative practices to address the harm their actions caused.

We remain committed to fostering a safe and inclusive community for all students. This school year, we have partnered with Peninsula Conflict Resource Center (PCRC) to deliver an updated conflict resolution curriculum to our Peer Helpers class. We have formed a site equity team that is examining campus issues that contribute to inequity, developing strategies and creating structures needed to sustain a positive and inclusive school community for all students. This work is supported by our district's focus on race, equity and inclusion practices.

I encourage you to have open conversations with your student(s) about the importance of kindness, respect and being an upstander by speaking up, interrupting, being a role model, removing themselves from negative groups/situations and reporting issues to a staff member or through STOPit. By working together, we can create a school community that embodies these values.

Thank you for your continued support,

Megan Carey  
Principal

## CAMPUS NEWS

---

### Peer Helpers Tackle the Ropes Course

Students engaged in the ropes course challenge that encourages team building, problem-solving, and personal growth. Students are presented with challenges that test their boundaries and push them to think outside the box. They are able to see that working together helps make all things possible.

This program is sponsored by the Terra Nova PTO.

---
