Dear Terra Nova community,

As another school year comes to a close, I wanted to take a moment to express my heartfelt appreciation for the incredible journey we have shared together.

First and foremost, I want to congratulate each and every student on their growth and accomplishments throughout this academic year. Their dedication and hard work have not gone unnoticed.

Whether it was acing a difficult exam, participating in extracurricular activities, or simply showing kindness and support to their peers, they have truly exemplified the spirit of Terra Nova.

To our parents and guardians, thank you for entrusting us with the education and well-being of your children. Your unwavering support, involvement, and collaboration have been essential in creating a nurturing environment where students can thrive and reach their full potential. I am grateful for your partnership.

I would also like to express my deepest appreciation to our dedicated and talented staff members. Their passion for teaching, guidance, and mentorship has played a pivotal role in nurturing our students' minds and have undoubtedly made a profound impact on the lives of our students and school community.

I hope everyone is able to take some time this summer to spend quality time with loved ones, explore new passions, and embark on exciting adventures. May your summer be filled with joy, relaxation, and cherished moments. Stay safe, stay curious, and I look forward to greeting you all to another fun-filled school year in August.

Warmly,

Megan Carey  
Principal

## Take It Down

Having nudes online is scary,  
but there is hope to get it  
taken down.

Take It Down is a free service that can help you remove or stop the online sharing of nude, partially nude, or sexually explicit images or videos taken of you when you were under 18 years old.

### Here's how it works:

Visit [TakeItDown.NCMEC.org](https://TakeItDown.NCMEC.org) and click on "Get Started".

Answer a few simple questions.

Select the image or video on your device that you're concerned about.

Take It Down will assign a unique digital fingerprint, called a hash value, to the image or video.

- ▶ The hash will be shared with participating online platforms that can use it to detect copies of these images or videos on their services and take action to remove the content or limit the spread. This all happens without the image or video ever leaving your device or anyone viewing it, and you don't have to share any personal information.

Remember, losing control of your image could happen to anyone, and you're not alone. For more information about how NCMEC can help, visit

## Take It Down

Tener desnudos en línea da miedo ,  
pero hay esperanza de que sean  
removidos-taken down.

Take It Down es un servicio gratuito que puede ayudarte a eliminar o detener el intercambio en línea de imágenes o videos desnudos, parcialmente desnudos o sexualmente explícitos que fueran tomados antes de que cumplieras los 18 años.

### Así es como funciona:

Visita [TakeItDown.NCMEC.org](https://TakeItDown.NCMEC.org) y has clic en "Comenzar".

Responde algunas preguntas simples.

Selecciona la imagen o el video que te preocupa en tu dispositivo.

Take It Down funciona mediante la asignación de una huella digital única, llamada valor hash, a una imagen o video.

- ▶ El valor hash se comparte con las plataformas en línea participantes para que puedan detectar esta imagen o video en sus servicios y eliminar este contenido o limitar su circulación. Todo esto sucede sin que la imagen o el video salgan de tu dispositivo o sin que alguien lo vea y no tienes que compartir ninguna información personal.

Recuerda, perder el control de una imagen le puede pasar a cualquiera, pero no estás solo. Para obtener más información sobre cómo NCMEC puede ayudar, visita
