Schedule

SENIOR SPOTLIGHT

GRAD NIGHT Class of 2023

A Message from the Grad Night Committee...

WE ARE ALMOST TO THE FINISH LINE!

I want to wish all the families of GRADS this week a big "CONGRATULATIONS" on getting your teen to this point. This week is going to be busy so I wish you all peace and serenity.

Please read the following information for Grad Night:

- WE STILL NEED 2 CHAPERONES! Chaperones do not need to pay. My husband and I are both chaperoning. We need other parents to volunteer so we can meet this requirement. If your teen doesn't want you there, I totally get it, but please know that the venue is huge with multiple rooms so it is very easy for your teen to hide from you, if they so choose :) If you can help, please email me.
- Students need to be on campus for pick-up at 9:30 PM sharp on Thursday, May 25. They will be checked in and given a wristband before boarding the shuttle.
- Backpacks, purses, bags, etc. are not allowed on the shuttle nor in the venue. Personal items must fit in pockets. No outside food or beverages. There are no exceptions.
- This is a zero tolerance event and if students are found with alcohol, drugs, or vapes, parents will be called and the student will need to be picked up from the venue. Please chat with your teen about this rule.
- Students need to remain at the venue. If they leave, they will not be allowed back in and a parent will be called. Please chat with your teen about this rule.
- The event ends at 3:00 AM. It will take time for the students to load the shuttles and for attendance to be recorded. Arrival time back to campus can be anywhere from 4:00-4:30 AM on Friday, May 26.
- I strongly recommend that students be picked up at Terra Nova upon our return by a family member. The teens will be exhausted which may make driving home risky.
- The name of the location will be emailed to you around 11:00 PM when the students have arrived at the venue.

[Grad Night Expectations and Release Form](#) (Please fill out if you haven't already done so.)

Thank you,
Jennifer Uter (jenlynn71@hotmail.com)
On behalf of the Grad Night Committee

COUNSELING CORNER

If you are looking for information regarding **college, career and/or scholarships**, head on over to the [Monthly College and Career Newsletter](#) or see Ms. Spasic in the College and Career Center, Room A209 for more information.

Take It Down

Having nudes online is scary,
but there is hope to get it
taken down.

Take It Down is a free service that can help you remove or stop the online sharing of nude, partially nude, or sexually explicit images or videos taken of you when you were under 18 years old.

Here's how it works:

Visit TakeItDown.NCMEC.org and click on "Get Started".

Answer a few simple questions.

Select the image or video on your device that you're concerned about.

Take It Down will assign a unique digital fingerprint, called a hash value, to the image or video.

- ▶ The hash will be shared with participating online platforms that can use it to detect copies of these images or videos on their services and take action to remove the content or limit the spread. This all happens without the image or video ever leaving your device or anyone viewing it, and you don't have to share any personal information.

Remember, losing control of your image could happen to anyone, and you're not alone. For more information about how NCMEC can help, visit

TakeItDown.NCMEC.org

Service operated by

Take It Down

Tener desnudos en línea da miedo ,
pero hay esperanza de que sean
removidos-taken down.

Take It Down es un servicio gratuito que puede ayudarte a eliminar o detener el intercambio en línea de imágenes o videos desnudos, parcialmente desnudos o sexualmente explícitos que fueran tomados antes de que cumplieras los 18 años.

Así es como funciona:

Visita TakeItDown.NCMEC.org y has clic en "Comenzar".

Responde algunas preguntas simples.

Selecciona la imagen o el video que te preocupa en tu dispositivo.

Take It Down funciona mediante la asignación de una huella digital única, llamada valor hash, a una imagen o video.

- ▶ El valor hash se comparte con las plataformas en línea participantes para que puedan detectar esta imagen o video en sus servicios y eliminar este contenido o limitar su circulación. Todo esto sucede sin que la imagen o el video salgan de tu dispositivo o sin que alguien lo vea y no tienes que compartir ninguna información personal.

Recuerda, perder el control de una imagen le puede pasar a cualquiera, pero no estás solo. Para obtener más información sobre cómo NCMEC puede ayudar, visita

YoDecido.NCMEC.org
