Dear Terra Nova community,

Last Wednesday we celebrated the academic success of the Class of 2023 at our annual senior awards ceremony. While we will be honoring all of these award winners in a special edition of our school newsletter, I would also like to take a moment to acknowledge and appreciate the efforts of all our students this school year and encourage them to finish strong in these last 11 days.

At Terra Nova, we firmly believe that each student possesses unique talents, strengths, and potential. Academic awards are just one way to recognize exceptional achievements, but they do not define the entirety of a student's capabilities or worth. The amazing part of this time of year is

to be able to reflect on each of our student's personal growth, character development, and contributions to the TN community.

To our students, please know that success is not always measured by awards or certificates. It is about the progress you make, the lessons you learn, and the resilience you demonstrate. Your unique talents and contributions make TN as vibrant and diverse as it is, and we are grateful for your presence. We encourage you to continue pursuing your passions, setting goals, and challenging yourself academically.

To all of our parents, family members, coaches, teachers and staff members, I am grateful for your ongoing support and encouragement of all of our students. Together we foster an environment that promotes learning, growth, and celebration of diverse talents.

Warmly,

Megan Carey  
Principal

### Biotech Lessons in Biology

Students in all biology classes are getting a taste of biotechnology, learning some lab techniques such as micropipetting through a partnership with Bay Area Bioscience Education Community or BABEC. Ms. Schroeder's classes just finished their micropipetting training by learning how to read and set the volume of micropipettes. They then applied their new skill to create a mystery pattern by following specific steps to transfer red, yellow, and blue dyes. Mr. Mullen's classes will start their biotech lessons next week.

The yearbooks are here! Distribution will take place this week right after school at Mr. Colvig's room, 312.

- Monday will be a senior-exclusive day, where only 12th graders will be allowed to pick up or purchase a yearbook for cash.
- All grades can pick up their yearbooks Tuesday, Wednesday, and Thursday of next week.
- If you did not preorder a yearbook, we will have a very limited supply of yearbooks available for cash purchase, first come first serve. Please have \$100 in exact change; we cannot accept checks or other forms of payment.

We're so excited to share our hard work and all the special memories captured in this year's yearbook!

Thank you,  
*Tiger 2023 Staff*

## Bell Schedule Changes for May 24th, 25th and 26th

We have adjusted our bell schedule for the last week of May.  
Please plan accordingly.

- **Wednesday, May 24th** - Regular Day Schedule - Release time 3:30 pm
- **Thursday, May 25th** (Graduation Day) - Minimum Day Schedule - Release time 1:15 pm
- **Friday, May 26th** - Collaboration Day Schedule - Release time 2:12 pm

The last day of school for all students other than seniors is Wednesday, May 31, 2023.

## Terra Nova Car Show & Swap Meet | Saturday, May 20th

Enjoy this popular event all in support of the Terra Nova Industrial Tech Program. Without this event, the program is not possible.

So come on out and browse the classic cars, trucks and other classic vehicles. Enjoy browsing through the Swap Meet! Enter their raffle to win some cool items!

In addition, the TN Car Show Committee will be cookin' up some BBQ for everyone to enjoy!

• See Ms. Spasio in the College & Career Center with questions.  
Application workshop dates TBA.

**May 1 - 19** AP Testing  
• Days and times vary depending on subjects

### A Message from the Grad Night Committee...

\*\*\*IMPORTANT INFORMATION-Please read thoroughly.

THANK YOU TO EVERYONE WHO PURCHASED A TICKET FOR GRAD NIGHT!

Because of many families' generosity, we were able to award 4 students a scholarship to attend GRAD NIGHT. Thank you all so much!

Some notes on the evening:

- Students need to be on campus for pick-up at 9:30 PM sharp on Thursday, May 25. They will be checked in and given a wristband before entering the shuttle.
- Backpacks, purses, bags, etc. are not allowed on the shuttle nor in the venue. Personal items must fit in pockets. No outside food or beverages. There are no exceptions.
- This is a zero tolerance event and if students are found with alcohol, drugs, or vapes, parents will be called and the student will need to be picked up from the venue.
- The event ends at 3:00 AM. It will take time for the students to load the shuttles and for attendance to be recorded. Arrival time back to campus can be anywhere from 4:00-4:30 AM on Friday, May 26.

**GRAD  
NIGHT**  
Class of 2023

- I strongly recommend that students are picked up at Terra Nova upon our return by parents or family members. The teens will be exhausted which may make driving home risky.
- The name of the location will be emailed to you around 11:00 PM when the students have arrived at the venue. My cell phone number will also be emailed. Please don't hesitate to use it in case of an emergency or if you need to communicate with me.
- **WE STILL NEED CHAPERONES!** We are required to have 10 and we have only 8. My husband and I are both chaperoning. We need other parents to volunteer so we can meet this requirement. Non-senior parents are welcome to help too! If your teen doesn't want you there, I totally get it, but please know that the venue is huge with multiple rooms so it is very easy for your teen to hide from you, if they so choose :) If you can help, please email me.
- There are still about 10 families who have not filled out the **required release form**. Your teen cannot attend without this completed form. See link below.

Rock Painting, Crafts, and Space to Study**

## Take It Down

Having nudes online is scary,  
but there is hope to get it  
taken down.

Take It Down is a free service that can help you remove or stop the online sharing of nude, partially nude, or sexually explicit images or videos taken of you when you were under 18 years old.

### Here's how it works:

Visit [TakeItDown.NCMEC.org](https://TakeItDown.NCMEC.org) and click on "Get Started".

Answer a few simple questions.

Select the image or video on your device that you're concerned about.

Take It Down will assign a unique digital fingerprint, called a hash value, to the image or video.

- ▶ The hash will be shared with participating online platforms that can use it to detect copies of these images or videos on their services and take action to remove the content or limit the spread. This all happens without the image or video ever leaving your device or anyone viewing it, and you don't have to share any personal information.

Remember, losing control of your image could happen to anyone, and you're not alone. For more information about how NCMEC can help, visit

[TakeItDown.NCMEC.org](https://TakeItDown.NCMEC.org)

Service operated by

## Take It Down

Tener desnudos en línea da miedo ,  
pero hay esperanza de que sean  
removidos-taken down.

Take It Down es un servicio gratuito que puede ayudarte a eliminar o detener el intercambio en línea de imágenes o videos desnudos, parcialmente desnudos o sexualmente explícitos que fueran tomados antes de que cumplieras los 18 años.

### Así es como funciona:

Visita [TakeItDown.NCMEC.org](https://TakeItDown.NCMEC.org) y has clic en "Comenzar".

Responde algunas preguntas simples.

Selecciona la imagen o el video que te preocupa en tu dispositivo.

Take It Down funciona mediante la asignación de una huella digital única, llamada valor hash, a una imagen o video.

- ▶ El valor hash se comparte con las plataformas en línea participantes para que puedan detectar esta imagen o video en sus servicios y eliminar este contenido o limitar su circulación. Todo esto sucede sin que la imagen o el video salgan de tu dispositivo o sin que alguien lo vea y no tienes que compartir ninguna información personal.

Recuerda, perder el control de una imagen le puede pasar a cualquiera, pero no estás solo. Para obtener más información sobre cómo NCMEC puede ayudar, visita

[YoDecido.NCMEC.org](https://YoDecido.NCMEC.org)
