Dear Families,

The rise of social media and its use amongst our teenagers has also led to an increase in online bullying, "cyberbullying." Social media has created new avenues for students to harass and intimidate their peers, not to mention sensationalize acts of violence and destruction.

As your principal, I want to emphasize that we take all instances of bullying seriously and will not tolerate any form of harassment or discrimination at Terra Nova. We work hard to create a safe and inclusive environment for all students, but we need your help to continue this work.

If your student is being bullied online or is aware of someone else being bullied, encourage them to report it to a teacher, counselor, or administrator immediately. They can also send a Tiger Tip through our anonymous tip line, [tntigertips@gmail.com](mailto:tntigertips@gmail.com). We will take appropriate action to address any incidents that occur.

It is important for parents to monitor their child's social media usage, text messages and to have open and honest conversations about the impact that their words and actions can have on others. Encourage your child to be kind and respectful online, and to think twice before posting or sharing something that could be hurtful to someone else.

Talk with your student about how they can be an upstander and not a bystander. Talk through different scenarios they may find themselves in. What would they do if they witnessed a fight? Would they get help or would they take out their phone, film it and then share it? If they read a hateful message online, would they "like" the comment or would they interrupt it?

Our collective actions create the school community at Terra Nova, not to mention our broader communities. Together, we can work to create a safe and welcoming campus for all students. As I tell the students: be good and do good. For if you do, we will all reap the benefits.

Thank you for your continued support,

Megan Carey  
Principal

## Facilities Update: Baseball & Softball Fields

We wanted to keep you informed of what's happening with our fields. Unfortunately, significant rainfall this year has exacerbated existing drainage issues on our baseball and softball fields. We are in the process of surveying the field grounds for a feasibility study to be completed by a landscape architect. The landscape architect will study the drainage issues, geo technical reports and ADA code compliance requirements, and then obtain estimates for repairing or replacing the fields. Once completed, the feasibility study will be presented to the board.

## Early Bird Pricing Extended Through March 31st!

Dear Parents and Guardians of the Class of 2023,

### GREAT NEWS!! WE ARE EXTENDING THE EARLY BIRD DEADLINE TO FRIDAY, MARCH 31!

Purchase your child's ticket before Spring Break so you have one less thing to remember during these last several weeks of senior year (and you can save a few bucks while you're at it). We would love to see all our GRADS participate. They've worked hard and now it's time to party! The tickets are now \$130 but after March 31, tickets will go up to \$145.00. The last day to purchase tickets is May 10.

**Why is the location a secret?** Safety is the major concern. We don't want the public knowing ahead of time where our children will be in the middle of the night and risk "gate-crashing." Many high schools adopt this same policy. Parents will be emailed the location and an emergency contact while the children are en route to the venue.

**GRAD  
NIGHT**  
Class of 2023

## WAYS TO PAY

**CASH:** to Mrs. Tosetti in the Counseling Office

**CHECK:** to Mrs. Tosetti in the Counseling Office made payable to Terra Nova PTO (write Grad Night 2023 in the memo line)

**VENMO:** @Jennifer-Uter (comment "student name" and "grad night 2023") The last 4 digits of my cell phone number are 5282

Unfortunately, there will be no refunds unless the event is canceled. ***There is a minimum amount of tickets we need to sell to put on this event.***

Grads will board shuttles at TNHS at approximately **9:30 PM on Thursday, May 25, 2023 and will return to campus at approximately 4:00 AM on Friday, May 26, 2023.**

Our goal is to make this opportunity accessible so **ALL** seniors may attend the memorable and safe celebration. **Would you please consider sponsoring a senior for Grad Night or making a donation for those students with financial hardship?** If you choose to make a donation, you can do so when your student purchases a ticket.

Parents/Guardians please complete the following Expectations and Release form required for the event as soon as possible. Students will not be able to attend if the form is not completed.

Thank you,

Jennifer Uter ([jenlynn71@hotmail.com](mailto:jenlynn71@hotmail.com))
