### Join us in person, March 22!

We welcome both incoming Freshmen parents and existing Terra Nova families to our community! Join us for a casual meeting to talk about how we can best support our kids' academic experience through the important work of TNEF.

- When: Wednesday, March 22, 7 pm
- Where: Terra Nova library
- Who: All incoming and existing parents who want their kids to get the most out of their Terra Nova High School education.
- Snacks will be provided

The Terra Nova Education Foundation (TNEF) was established in 2018 both to invest in educational excellence and also to spread the word about all of the great things happening at Terra Nova High School.

Since TNEF's inception, we have made substantial investments that have enhanced the academic strength of Terra Nova. Specifically, our parent and business donors have provided financial investments in:

- College and career services
- Software + apps to support flex-time scheduling
- Subsidized support for college prep testing
- Technologies to support academic excellence

This is a critical juncture for TNEF. We are seeking new ideas, fresh volunteers, and energetic leaders. Please join us on March 22 to support the community and lend a hand.

Text TIGERS to 56512 and join us on March 22.

We will be highlighting new opportunities for parent involvement and new investment opportunities at Terra Nova. Be a part of the decision!

With your support, we can continue to improve Terra Nova's academic excellence and student success.

We look forward to seeing you on **March 22!**
