Dear Families,

I am excited to inform you that we will be presenting Honor Roll and Principal's List certificates to students this week. We are thrilled to recognize and celebrate the academic achievements of our students, who have demonstrated a commitment to hard work and excellence in their studies.

Honor Roll is earned with a grade point average of 3.0 to 3.49 while Principal's List is for grade point averages of 3.50 through 4.0+. Certificates will be distributed in English classes later this week.

Our students have shown remarkable dedication, discipline and hard work to attain this achievement. The certificates are a symbol of this and a reflection of the values we instill in our students.

As parents and family members, you play a crucial role in supporting your student's education and encouraging them to strive for excellence. We appreciate the effort you have made to support their academic journey, and we hope that you will join us in congratulating your student on their achievement.

Thank you for your continued support of our school and our students. Congratulations once again to all the students who made Honor Roll & Principal's List.

Warmly,

Megan Carey
Principal

Mr. Bishop organized a field trip for our band to visit two of our local schools, IBL and Ocean Shore, where our band had an opportunity to mix, mingle and play music with future Tigers. Just take a look at the video of our band playing the fight song at Frontierland Park - their smiles say it all. The TN band radiates positivity, inclusivity, and fun. Go Tigers!

8th Annual Career Fair

Our Counseling Department organized our 8th Annual Career Fair on Wednesday, March 8th. This was a great opportunity for our students to engage with dozens of industry representatives. Through their conversations, they learned of amazing opportunities and the skills/classes needed to get to the next level whether that path is through a trade, the military or with a college degree. The industry representatives had nothing but positive things to say about our students who they described as intelligent, engaged, polite, thoughtful, and inquisitive.

In this workshop, youth learn how to find job openings that are a good fit. By the end of the workshop, participants have a basic understanding of online job search tools, the typical application and hiring process, and how to identify transferable skills that match a job description. We also cover how to maintain and use a Master Job Application, and we guide youth in reviewing sample job applications and completing an application. For youth under age 18, we cover how to obtain a work permit.
