Principal's Message

Dear families,

Whether you spent the break traveling or enjoying leisurely days with family and friends, I hope you are starting this new year feeling rested and rejuvenated.

A new year always brings new energy, challenges and hopes. I sincerely hope as a school that we look at the opportunities to learn and grow with each new situation and day that comes before us and to continue showing kindness and compassion to each other.

Thank you for your continued support,

Megan Carey
Principal
