Terra Nova High School E-Newsletter, November 1, 2022

## **Principal's Message**

Dear families,

The safety of our students and staff is our top priority. See something...Say something. We stress this message with our students and staff but it also applies to our broader school community.

Anyone who hears or sees suspicious activity, questionable behavior or has an unsettling experience should report it to the school and/or Administration by phone, email or our Tiger TipLine at [tntigertips@gmail.com](mailto:tntigertips@gmail.com)

You don't need to have all of the information to give us a heads up. You don't need to have solved the case to share some clues. Please just share it. We'd rather know than not know.

I would also like to take a moment and recognize Yvonne Piccolotti, our Attendance Technician. After 25 years, Yvonne will be retiring from Terra Nova this Friday. She has served the TN community with warmth and compassion in her countless interactions with students, families and staff. We consider her our rock and wish her the best in retirement. While we will sorely miss her, we know we are in good hands with Tenishia Kavanaugh assuming her duties.

Thank you for your continued support,

Megan Carey  
Principal
