Terra Nova High School E-Newsletter, October 17, 2022

Principal's Message

Dear families,

I am a firm believer in fostering the relationship between home and school. Even at the high school level, this relationship is critical to the success of our students. We must work collaboratively to create and maintain a safe and positive learning environment for all students. At Terra Nova, a big part of this work takes place through and with the support of our parent groups.

The Terra Nova PTO is currently holding their fall fundraising campaign. Their direct donation letter is included below. PTO funds are used for a variety of purposes - classroom materials, staff appreciation, curriculum and program materials, field trips and other enrichment activities. Any amount you can contribute is greatly appreciated.

Please consider attending our next PTO meeting next Tuesday, October 25th. Every meeting features a Principal Chat while other presentations (counseling, college & career) are scheduled throughout the year.

A huge part of what makes Terra Nova such a rich and vibrant community is the hard work, generosity, and participation of our families.

Thank you for making TN the amazing place it is.

Megan Carey
Principal
