Principal's Message

Dear families,

Last week, the Terra Nova administrative team visited classrooms to discuss our school-wide expectations - the code of conduct all students will be expected to adhere to across campus and in various settings while as a Terra Nova tiger.

These visits not only provide a great opportunity for us to talk and listen using a common language with the students about what is considered appropriate behavior. They also provide us with a chance to hear student's biggest wishes and concerns for this school year.

Right now, our students are wishing for a smooth and academically successful school year with all of the traditional events available to enjoy. There are hopes of attending dances and participating in musicals and on championship winning teams.

The faculty and staff are ready to do what we can to help them reach their goals. At our last staff meeting, we worked to identify the various supports available to students across campus and in our classrooms. Our goal is to always be able to link students to them when needed. The counseling corner section of the newsletter is stocked full of contact information, helpful resources and a parent/guardian workshop scheduled for this week. Your student's success is our primary focus. If you ever feel your student is struggling or you are in need of guidance, please do not hesitate to reach out to our counseling department or wellness team.

Thank you for your continued support,

Megan Carey Principal

California Coastal Clean Up Day | Saturday, 9/17 | 9 am - 11 pm

Please join our AP Environmental Science classes in this year's California Coastal Clean Up Day on Saturday, September 17th from 9 am - 11 pm. Clean up can be done in your neighborhood, at the beach, etc.

Terra Nova has adopted San Pedro Creek off Peralta near Safeway (Linda Mar) so most students go to that location. We are working with

the Pacific Beach Coalition. Please click <u>here</u> for more information about the clean up. A <u>waiver</u> is needed for those who will join the organized clean up by PBC (and if you are joining TN in San Pedro Creek.) Athletic Booster Club

The Terra Nova Booster Club will hold their next meeting this Tuesday, September 13th at 7pm in the Terra Nova library.

Please support athletics at Terra Nova by attending and being a voice for your student's sport and team.

The primary function of the booster club is to raise funds in support of all athletic programs at Terra Nova. Athletic grants awarded by the Booster Club are the primary source of funding for team uniforms and equipment, sports awards, major projects, first aid, health and safety items. Annual grants presented by the Booster Club average a total of \$25,000 to \$35,000 dependent upon coach grant requests submitted near the end of each school year.
