Terra Nova High School E-Newsletter, August 15, 2022

## **Principal's Message**

Welcome back!!

It's great to be back together again. We have departed on another epic school year together and all signs point to a very positive school year.

Over the summer we welcomed a great group of new staff members to Terra Nova. They each have a deep passion for their subject areas and share a commitment to building caring relationships with our students. I will be introducing them over the next few newsletters and hope you will attend our upcoming back-to-school night to meet and mingle with them and all of your student's teachers. Mark your calendar... it is on September 1st at 6pm.

High school is a busy time and our campus is always bustling with exciting events and activities. Make sure you have bookmarked our website for easy access and follow us on social media through our Instagram account, [#terranovaprider](#) or at our Facebook page, [Terra Nova PTO](#).

Another great way to stay connected is by joining one of our many parent groups - PTO, Athletic Booster Club or the Terra Nova Education Foundation or if your student is in the band, the Band Booster Club. Information on these groups and their meeting date is included below.

The markings of a great school is its community. Terra Nova is a great school - a great place to work and learn - because of our community.

I am proud to be leading TN through another year and hope to meet you at one of our many school events.

Thank you for your continued support,

Megan Carey  
Principal

### School Planners for Freshmen

All 9th grade students should have received a school planner for the 2022/23 school year. If you didn't receive one, please stop by the main office to get one.

Thank you to the Terra Nova Education Foundation. Through their fundraising efforts, we were able to purchase planners for the entire freshman class.

### Food Services: All students eat for free this year!

The California Universal Meals Program has been established for this school year. Through this program, the state is reimbursing the school district for meals. All students may get one free breakfast and one free lunch each day by providing their student ID number at the register in the cafeteria. Additional meals are available for purchase at full price.

Our snack bar will be up and running later this month where additional snack items will be available for purchase.

Money may be added to your student's account by visiting Titan at <https://family.titank12.com/> and clicking on the family portal. Cash is also accepted at all cafeteria serving lines. Any student balance left from last year on myschoolbucks has been transferred to your student's new account on our Titan system.

## Free & Reduced Lunch Application

Annual grants presented by the Booster Club average a total of \$25,000 to \$35,000 dependent upon coach grant requests submitted near the end of each school year.
