## **Principal's Message**

Dear Terra Nova,

It's amazing to see that the end of the school year arrived so quickly. And as I said last week, it has been a whirlwind of a school year.

There are countless people to whom I owe an expression of gratitude and hope. Special thanks goes to our PTO parents, Athletic & Band Booster Club members, TNEF supporters, Coaches, volunteers and so many more supporters, who supported all that we did and attempted to do for the good of our students and school. Your support makes Terra Nova a much stronger community.

I would like to thank our hard working and caring faculty and staff who have made a huge difference to our students. Their commitment is outstanding and our kids are the beneficiaries. Thank you for providing rich and engaging, well-rounded experiences for our kids.

This week is not just an ending but it's also a beginning for a few Terra Nova staff members who will be leaving us for new adventures. Mrs. Gloria Guevarra, a paraprofessional in our Life Skills Program is retiring while Mr. Alek Butler, our Social Studies Department Chair and former Dean of Students, is leaving Terra Nova to work closer to his home in the East Bay. After fifteen years and thousands of late passes, Mrs. Wallace, our Attendance Aide, is retiring. We wish them nothing but the best and thank them all for the years of service to our students and school community.

In closing, I take this opportunity to congratulate all students. This was a tough year but we made it. I hope you can look back at this year with a sense of pride and know that next year brings new promise.

I wish you all a very happy, safe and enjoyable summer. See you on August 9th.....

Warmly,

Megan Carey  
Principal
