Principal's Message

Dear Terra Nova Families,

This has been a whirlwind of a school year. From the sheer excitement of having students back on campus full-time and resuming all of our school events to acclimating back into the grind of a traditional school year. It's been a whirlwind of a school year for our teachers, staff, students and families.

No matter how grueling it got, I always knew the TN community was behind us which made navigating the challenges much more manageable. I sincerely thank you for your patience, understanding and support. It truly makes the difference.

I wish each and every one of you a very restful and enjoyable summer vacation.

Warmly,
Megan Carey
Principal
