Kevin Mullin for Congress Internship Opportunity

Have you ever wondered how a Congressional campaign operates? Read on to learn about an opportunity waiting just for you!

My name is Max, and I am a current Senior at Crystal Springs Uplands School in Hillsborough. I am reaching out to offer TN students the opportunity to intern on Kevin Mullin's Campaign for Congress. California Assembly Speaker pro tempore Kevin Mullin is a proven legislator and leader who is running to succeed Congresswoman Jackie Speier in Congress and has received her endorsement. He is always looking for new, young, voices and ideas from across the district to join his campaign and help get him elected to Congress.

As an Intern, I have been able to obtain first-hand experience of how a Congressional campaign operates, and I have the opportunity to get my voice heard by a leader who cares about the next generation. This is a once-in-a-lifetime experience that will stay with your students for the rest of their lives and will provide them with a deeper understanding of how a campaign is run. With this experience on the campaign, your students will build connections, have the opportunity for recommendation letters/references, and gain volunteer hours.

If interest, click on the link below for more details.
