Sports updates from our Athletic Department

Terra Nova Athletics Boosters Club (TNABC) - Board Members Needed

The Terra Nova High School Athletic Booster Club is a group of volunteer parents and/or staff dedicated to fostering a positive, spirited, and equitable athletic program for all student-athletes on campus. Through club fundraising and volunteerism the Athletics Boosters helps to ensure that every student-athlete has what they need to have a successful season. In many public schools, sports programs have been reduced due to budget cuts or eliminated altogether; however, this is not the case at Terra Nova.

Over the last 2 years the Athletics Boosters has contributed close to \$100,000 to the athletics programs at Terra Nova which includes uniforms, equipment/training aids, remodeling the weight room, ice machines, and 2022 senior night. We want to do more, but our small board is getting smaller at the end of the year. Without parental involvement, our ability to continue to raise and fund athletic initiatives will be limited.

The single biggest donation that a parent can give to the boosters is their time and energy. Please consider a position on our board, or volunteering at the Fireworks Booth (this Summer) or snack shack (next Fall). The experience is meaningful, and the student-athletes really do feel and play better when they have the tools to train, and uniforms they can be proud to wear.

If you took the time to read this correspondence, I appreciate it. I encourage you to get involved.

Thank you! and Go Tigers!

Silicon Valley Sports Officials Association - Referees Needed!

The Silicon Valley Sports Officials Association is in need of officials/referees for every sport (football, basketball, baseball, softball, water polo, lacrosse, soccer).

We have many officials retiring in the coming months and hope to fill their spots so there is no impact to game dates, number of games, and game times. Limited referees means limited games.

Help us provide a safe environment for these young adults to play high school sports. We start new referees at youth, freshman, and JV games.

If interested, please contact Mac Parfet at macparfet@gmail.com.

Sports Physicals Available at Local CVS MinuteClinic®

Athletes can schedule their Sports Physicals at a local MinuteClinic® at CVS. Each year, MinuteClinic® provides thousands of sports physicals for athletes, either in-clinic or at an on-site event.

- MinuteClinic® is open every day, including evenings. [Find a local clinic](#)
- The typical cost for a sports physical is \$69 – seasonally discounted rates are available (Note: physicals are a self-pay service)
- Outside of physicals, most services are billable to insurance, and we accept most insurances
- If the athlete is under 18 years old, they must come with their legal guardian or parent
- Patients can go online to make an appointment at www.cvs.com/minuteclinic/services/sports-physicals

The MinuteClinic® will be offering a \$25 off discount for Sports Physicals between June 17 and September 14, 2022.
