Principal's Message

Dear families,

This week students will be receiving certificates acknowledging their accomplishments for the fall semester. Honor Roll certificates mark those who earned a grade point average of 3.0 through 3.49. Principal List certificates mark those who earned a grade point average of 3.50 and above.

Over half of the Terra Nova student body earned at least a 3.0 or higher. This is a great accomplishment and a true testament to the hard work, determination and perseverance of our students. I also want to acknowledge the support of their family, coaches and other advocates. Thank you. These students will receive their certificate in their English class this week. The full list of names will be displayed in the Main Office, outside the counseling Office.

On campus, we continue to see the effects of the current COVID surge. Our daily attendance rates continue to fluctuate and I reiterate that not every absent student is a positive case. We continue to report our positive cases to the district office which reflect on the district dashboard. The teachers and staff are working tirelessly to limit the impact to the learning environments.

To help keep our students safe and healthy, we continue to encourage proper mask-wearing. If you haven't done so, please consider upgrading your student's mask. As Superintendent Presta shared in her communication, we expect to have KN95 or N95 masks to give out to students sometime today. Our first shipment is limited but we expect to receive more in the coming weeks.

The Terra Nova campus benefits from having many open outdoor spaces for students to enjoy during their breaks and most students are doing so. Masks are only required when indoors but we encourage students to stay masked outdoors, especially if they can't maintain social distance. Our cafeteria and interior hallways remain open as they have been all school year. We will continue prompting students to mask when they are not actively eating. Their cooperation and understanding has been helpful as we all work together to stay safe and healthy. Please talk with your student(s) about how they mask off campus during their other pursuits. COVID doesn't start or stop at our doors and maintaining these habits off campus can be a major factor in staying healthy.

Thank you for your continued support,

Megan Carey
Principal

FlexTime Reminder

Cut-off times and days for making Flex appointments have changed.

Friday afternoon is the cut-off for making Tuesday appointments and Tuesday afternoon is the cut-off for making Thursday appointments.

We encourage all students to make both appointments on Fridays, and to choose the teacher from whom they need the most support.

Students who don't sign up for a spot will be automatically scheduled into a Flex location.

On Campus COVID Testing for Students

On campus COVID testing is available to students every Thursday from 8-2pm in Room N209.

To register for COVID testing at school, click this [link](#) or go to <https://tinyurl.com/4vpp9zk2> (you only need to register once).

- Results will be available 24 to 48 hours after sample collection
- Testing is at no cost to the individual
- Insurance information does not need to be provided. When asked, you may fill in your insurance information, or you may select that you choose not to provide this information.

You can also find other COVID testing options by visiting SMCGOV.ORG or you may also contact your personal physician for additional testing options.

Are you worried about an eviction for unpaid rent?

Submit or update your application as soon as possible to California's "Housing is Key" rent relief program. This is the most important step you can take! If you have submitted an application, you cannot be evicted for rent you owe or not being able to pay current rent (until April 1 2022). Go to: <https://housing.ca.gov/>.

How can I avoid an eviction and stay in my home?

Even if you submit your application, you may get a "3 day notice to pay rent or quit" from your landlord. You do not need to panic: you can still be protected from the eviction! You do not need to move out! Do not sign any documents!

After you get a "3 day notice", you have 15 days to submit an application to the "Housing is Key" rent relief program if you haven't already, AND give a confirmation letter to your landlord, explaining that you have applied. Keep a copy of the confirmation letter.

20 days after giving the "3 day notice", if the tenant has not applied to the rent relief program, the landlord can turn in paperwork to the court to initiate the eviction process. The eviction process in court can take 4-6 weeks.

If the tenant has applied to the rent relief program and notified the landlord, the court should not process the eviction. If you update your application for each month of rent you need assistance for, you can stay protected from eviction until March 31, 2022.

Do you have questions? Are you worried about another type of eviction?

1. Call Faith in Action's community response line to learn about your rights: 203-666-4472.
2. Contact free legal assistance: call San Mateo County Legal Aid at (650) 517-8911 or Community Legal Services of East Palo Alto at (650) 326-6440.

¿Preocupado por recibir un aviso de desalojo por la renta atrasada?

AYUDA CON LA RENTA
DE COVID-19 DE CALIFORNIA

Envíe o actualice su solicitud lo antes posible al programa de alivio de alquiler "Housing is Key" de California.

¡Este es el paso más importante! Si ha entregado una solicitud, no puede ser desalojado por el alquiler que adeuda o por no poder pagar el alquiler (hasta el 1 de abril de 2022). Vaya a: <https://housing.ca.gov/>

¿Cómo puedo evitar un desalojo y quedarme en mi hogar?

Incluso si presenta su solicitud, es posible que reciba un "aviso de 3 días para pagar el alquiler o renunciar" de su arrendador. No debe entrar en pánico: ¡aún puede estar protegido del desalojo! ¡No necesita mudarse! ¡No firme ningún documento!

Después de recibir un "aviso de 3 días", tiene 15 días para enviar una solicitud al programa de alivio de alquiler "Housing is Key" si aún no lo ha hecho. Si ya lo hizo, tiene 15 días para asegurar que todos los meses adeudados están dentro de la aplicación. Entregue una carta de confirmación al propietario con fecha, explicando que ha presentado la solicitud. Tome una foto o una copia de la carta de confirmación.

20 días después de dar el "aviso de 3 días", si el inquilino no ha solicitado el programa de alivio del alquiler, el propietario puede entregar la documentación a la corte para iniciar el proceso de desalojo. El proceso de desalojo en la corte puede durar de 4 a 6 semanas.

Si el inquilino ha aplicado al programa de alquiler alivio y notificado al arrendador, la corte no debe procesar el desalojo. Si actualiza su solicitud para cada mes de alquiler para el que necesita ayuda, puede permanecer protegido contra el desalojo hasta el 31 de marzo de 2022.

¿Tiene preguntas o está preocupado por otro tipo de desalojo?

1. Llame a la línea de respuesta comunitaria de Faith in Action: 203-666-4472.

2. Comuníquese con asistencia legal gratuita: llame a Asistencia Legal del Condado de San Mateo al (650) 517-8911 o a los Servicios Legales Comunitarios de East Palo Alto al (650) 326-6440.

¡Comparta esta información con sus vecinos y las personas que conoce!
