Principal's Message

Dear families,

I hope you all made it through this past weekend and were able to stay warm and dry. The epic storm capped a week that featured some momentous moments for Terra Nova High School and our students.

On Thursday night, the volleyball team swept El Camino, winning the battle against the freshmen, JV and Varsity teams. Varsity battled through five sets before landing the final touch to secure the win. In the pool, the boys Varsity Water Polo team, with less than one minute to play, came from behind to beat Half Moon Bay. Their undefeated season remains intact.

Our football team boasts the Cal-High scholar athlete of the week with junior Frank Ward as well as the Bay Division leader in receiving yards with Nate Bendo.

The Terra Nova Band celebrated 8th grade band night, an annual event that brings Pacifica middle school band members together to march and play with our band program. The band gave an impressive performance of their field show, another gold star on their resume.

Recently our cross country team showed great perseverance and grit when they overcame an extremely late bus and other unexpected factors to conquer a brutal 3 mile course at Bedwell Bayfront Park.

And last Wednesday we welcomed prospective families into our theater and gym to meet our staff and students and learn about all Terra Nova has to offer their student.

As this past week showed, Terra Nova has a little bit of something for everyone. If your student hasn't yet found their place, please reach out to us so we can enlist the support of our Link Crew and Peer Helpers to help them make those connections.

Warmly,

Megan Carey
Principal

PAPER: 24-7 Online & Live Tutoring Program - FREE FOR ALL Students

With the support of the district, we are offering PAPER to all students again this school year.

PAPER is a 24-7, online tutoring program where students can get on-demand live chat assistance with expert tutors in multiple subjects including writing support.

Students are able to login to PAPER using their school username/password at <https://app.paper.co/login/student>.

They will receive help within seconds in multiple subjects. Students can also submit any written work, including essays, lab reports, research papers or college application essays. Tutors provide detailed notes on grammar, structure and content. Work is even checked for missed citations or plagiarism.
